as amended.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:
Section 1. This act shall be known and may be cited as the Beason-Hammon Alabama Taxpayer and Citizen Protection Act.

Section 2. The State of Alabama finds that illegal immigration is causing economic hardship and lawlessness in this state and that illegal immigration is encouraged when public agencies within this state provide public benefits without verifying immigration status. Because the costs incurred by school districts for the public elementary and secondary education of children who are aliens not lawfully present in the United States can adversely affect the availability of public education resources to students who are United States citizens or are aliens lawfully present in the United States, the State of Alabama determines that there is a compelling need for the State Board of Education to accurately measure and assess the population of students who are aliens not lawfully present in the United States, in order to forecast and plan for any impact that the presence such population may have on publicly funded education in this state. The State of Alabama further finds that certain practices currently allowed in this state impede and obstruct the enforcement of federal immigration law, undermine the security of our borders, and impermissibly restrict the privileges and immunities of the citizens of Alabama. Therefore, the people of the State of Alabama declare that it
is a compelling public interest to discourage illegal immigration by requiring all agencies within this state to fully cooperate with federal immigration authorities in the enforcement of federal immigration laws. The State of Alabama also finds that other measures are necessary to ensure the integrity of various governmental programs and services.

Upon application by the state entity, political subdivision thereof, or state-funded entity, the Attorney General may bring an action to permanently revoke the business licenses and permits of the business entity or employer according to the procedures described in Section 15.
(f)(1) Upon the first violation of subsection (c) by a subcontractor, the state or political subdivision thereof may bar the subcontractor from doing business with the state, any political subdivision thereof, any state-funded entity, or with any contractor who contracts with the state, any political subdivision thereof, or any state-funded entity after providing notice and an opportunity to be heard. Upon application by the state entity or political subdivision thereof, or state-funded entity, the Attorney General may bring an action to suspend the business licenses and permits of the subcontractor for a period not to exceed 60 days, according to the procedures described in Section 15. The court shall order the subcontractor to file a signed, sworn affidavit with the local district attorney within three days after the order is issued by the court stating that the subcontractor has terminated the employment of every unauthorized alien and the subcontractor will not knowingly or intentionally employ an unauthorized alien in this state. subsection (c) by a subcontractor and upon application by the
state entity or political subdivision thereof, or state-funded
entity, the Attorney General may bring an action to
permanently suspend the business licenses of the business
entity or employer according to the procedures described in
Section 15. The determination of a violation shall be

a contractual agreement as provided for in this section is
being met.

(j) The suspension of a business license or permit
under subsection (e)(1) and (f)(1) shall terminate one
business day after a legal representative of the business
entity, employer, or subcontractor submits a signed, sworn
affidavit stating that the business entity, employer, or
subcontractor is in compliance with the provisions of this act
to the court.

or employer in this state shall enroll in E-Verify and
thereafter, according to the federal statutes and regulations
governing E-Verify, shall verify the employment eligibility of

knowingly violated subsection (a), the court shall do all of
the following:

(1) Order the business entity or employer to

deduction claimed in violation of subsection (a). The penalty
provided in this subsection shall be payable to the Alabama
Department of Revenue.

business entity or employer knows, or reasonably should have
known, is an unauthorized alien.

of a civil action in the state courts of this state. Any
recovery under this subsection shall be limited to
compensatory relief and shall not include any civil or
criminal sanctions against the employer.

(c) The losing party in any civil action shall pay
the court costs and reasonable attorneys fees for the
prevailing party; however, the losing party shall only pay the
attorneys fees of the prevailing party up to the amount paid
by the losing party for his or her own attorneys fees.

(d) The amount of the attorneys fees spent by each
party shall be reported to the court before the verdict is
rendered.

(e) In proceedings of the court, the determination
of whether an employee is an unauthorized alien shall be made
by the federal government, pursuant to 8 U.S.C. § 1373(c). The
court shall consider only the federal government's
determination when deciding whether an employee is an
unauthorized alien. The court may take judicial notice of any
verification of an individual's immigration status previously
provided by the federal government and may request the federal
government to provide further automated or testimonial
verification.

government and may request the federal government to provide further automated or testimonial verification.

Section 28. (a)(1) Every public elementary and secondary school in this state, at the time of enrollment in kindergarten or any grade in such school, shall determine whether the student enrolling in public school was born outside the jurisdiction of the United States or is the child of an alien not lawfully present in the United States and qualifies for assignment to an English as Second Language class or other remedial program.

(2) The public school, when making the determination required by subdivision (1), shall rely upon presentation of the student's original birth certificate, or a certified copy thereof.

(3) If, upon review of the student's birth certificate, it is determined that the student was born outside the jurisdiction of the United States or is the child of an alien not lawfully present in the United States, or where such certificate is not available for any reason, the parent, guardian, or legal custodian of the student shall notify the school within 30 days of the date of the student's enrollment of the actual citizenship or immigration status of the student under federal law.

(4) Notification shall consist of both of the following:
a. The presentation for inspection, to a school
official designated for such purpose by the school district in
which the child is enrolled, of official documentation
establishing the citizenship and, in the case of an alien, the
immigration status of the student, or alternatively by
submission of a notarized copy of such documentation to such
official.

b. Attestation by the parent, guardian, or legal
custodian, under penalty of perjury, that the document states
the true identity of the child. If the student or his or her
parent, guardian, or legal representative possesses no such
documentation but nevertheless maintains that the student is
either a United States citizen or an alien lawfully present in
the United States, the parent, guardian, or legal
representative of the student may sign a declaration so
stating, under penalty of perjury.

(5) If no such documentation or declaration is
presented, the school official shall presume for the purposes
of reporting under this section that the student is an alien
unlawfully present in the United States.

(b) Each school district in this state shall collect
and compile data as required by this section.

(c) Each school district shall submit to the State
Board of Education an annual report listing all data obtained
pursuant to this section.
(d)(1) The State Board of Education shall compile and submit an annual public report to the Legislature.

(2) The report shall provide data, aggregated by public school, regarding the numbers of United States citizens, of lawfully present aliens by immigration classification, and of aliens believed to be unlawfully present in the United States enrolled at all primary and secondary public schools in this state. The report shall also provide the number of students in each category participating in English as a Second Language Programs enrolled at such schools.

(3) The report shall analyze and identify the effects upon the standard or quality of education provided to students who are citizens of the United States residing in Alabama that may have occurred, or are expected to occur in the future, as a consequence of the enrollment of students who are aliens not lawfully present in the United States.

(4) The report shall analyze and itemize the fiscal costs to the state and political subdivisions thereof of providing educational instruction, computers, textbooks and other supplies, free or discounted school meals, and extracurricular activities to students who are aliens not lawfully present in the United States.

(5) The State Board of Education shall prepare and issue objective baseline criteria for identifying and
assessing the other educational impacts on the quality of education provided to students who are citizens of the United States, due to the enrollment of aliens who are not lawfully present in the United States, in addition to the statistical data on citizenship and immigration status and English as a Second Language enrollment required by this act. The State Board of Education may contract with reputable scholars and research institutions to identify and validate such criteria. The State Board of Education shall assess such educational impacts and include such assessments in its reports to the Legislature.

(e) Public disclosure by any person of information obtained pursuant to this section which personally identifies any student shall be unlawful, except for purposes permitted pursuant to 8 U.S.C. §§ 1373 and 1644. Any person intending to make a public disclosure of information that is classified as confidential under this section, on the ground that such disclosure constitutes a use permitted by federal law, shall first apply to the Attorney General and receive a waiver of confidentiality from the requirements of this subsection.

(f) A student whose personal identity has been negligently or intentionally disclosed in violation of this section shall be deemed to have suffered an invasion of the student's right to privacy. The student shall have a civil
remedy for such violation against the agency or person that
has made the unauthorized disclosure.

(g) The State Board of Education shall construe all
provisions of this section in conformity with federal law.

(h) This section shall be enforced without regard to
race, religion, gender, ethnicity, or national origin.

Section 29. (a) Applications for voter registration
shall give voter eligibility requirements and such information
as is necessary to prevent duplicative voter registrations and
enable the relevant election officer to assess the eligibility
of the applicant and to administer voter registration,
identify the applicant and to determine the qualifications of
the applicant as an elector and the facts authorizing such
person to be registered. Applications shall contain a
statement that the applicant shall be required to provide
qualifying identification when voting.

(b) The Secretary of State shall create a process
for the county election officer to check to indicate whether
an applicant has provided with the application the information
necessary to assess the eligibility of the applicant,
including the applicant's United States citizenship. This
section shall be interpreted and applied in accordance with
federal law. No eligible applicant whose qualifications have
been assessed shall be denied registration.
(c) The county election officer or Secretary of State's office shall accept any completed application for registration, but an applicant shall not be registered until the applicant has provided satisfactory evidence of United States citizenship. Satisfactory evidence of United States citizenship shall be provided in person at the time of filing the application for registration or by including, with a mailed registration application, a photocopy of one of the documents listed as evidence of United States citizenship in subsection (k). After a person has submitted satisfactory evidence of citizenship, the county election officer shall indicate this information in the person's permanent voter file.

(d) Any person who is registered in this state on the effective date of this act is deemed to have provided satisfactory evidence of United States citizenship and shall not be required to submit evidence of citizenship.

(e) For purposes of this section, proof of voter registration from another state is not satisfactory evidence of United States citizenship.

(f) A registered voter who moves from one residence to another within the state or who modifies his or her voter registration records for any other reason shall not be required to submit evidence of United States citizenship.
(g) If evidence of United States citizenship is deemed to be unsatisfactory due to an inconsistency between the document submitted as evidence and the name or sex provided on the application for registration, such applicant may sign an affidavit containing both of the following:

(1) Stating the inconsistency or inconsistencies related to the name or sex, and the reason therefor.

(2) Swearing under oath that, despite the inconsistency, the applicant is the individual reflected in the document provided as evidence of citizenship.

(h) There shall be no inconsistency between the date of birth on the document provided as evidence of citizenship and the date of birth provided on the application for registration. If such an affidavit is submitted by the applicant, the county election officer or Secretary of State shall assess the eligibility of the applicant without regard to any inconsistency stated in the affidavit.

(i) All documents submitted as evidence of United States citizenship shall be kept confidential by the county election officer or the Secretary of State and maintained as provided by record retention laws.

(j) Nothing in this section shall prohibit an applicant from providing, or the Secretary of State or county election officer from obtaining, satisfactory evidence of United States citizenship, as described in this section, at a
different time or in a different manner than an application
for registration is provided, as long as the applicant's
eligibility can be adequately assessed by the Secretary of
State or county election officer as required by this section.

(k) Evidence of United States citizenship shall be
demonstrated by one of the following documents, or a legible
photocopy of one of the following documents:

(1) The applicant's driver's license or nondriver's
identification card issued by the division of motor vehicles
or the equivalent governmental agency of another state within
the United States if the agency indicates on the applicant's
driver's license or nondriver's identification card that the
person has provided satisfactory proof of United States
citizenship.

(2) The applicant's birth certificate that verifies
United States citizenship to the satisfaction of the county
election officer or Secretary of State.

(3) Pertinent pages of the applicant's United States
valid or expired passport identifying the applicant and the
applicant's passport number, or presentation to the county
election officer of the applicant's United States passport.

(4) The applicant's United States naturalization
documents or the number of the certificate of naturalization.
If only the number of the certificate of naturalization is
provided, the applicant shall not be included in the
registration rolls until the number of the certificate of
naturalization is verified with the United States Bureau of
Citizenship and Immigration Services by the county election
officer or the Secretary of State, pursuant to 8 U.S.C. §
1373(c).

(5) Other documents or methods of proof of United
States citizenship issued by the federal government pursuant
to the Immigration and Nationality Act of 1952, and amendments
thereto.

(6) The applicant's Bureau of Indian Affairs card
number, tribal treaty card number, or tribal enrollment
number.

(7) The applicant's consular report of birth abroad
of a citizen of the United States of America.

(8) The applicant's certificate of citizenship
issued by the United States Citizenship and Immigration
Services.

(9) The applicant's certification of report of birth
issued by the United States Department of State.

(10) The applicant's American Indian card, with KIC
classification, issued by the United States Department of
Homeland Security.

(11) The applicant's final adoption decree showing
the applicant's name and United States birthplace.
(12) The applicant's official United States military record of service showing the applicant's place of birth in the United States.

(13) An extract from a United States hospital record of birth created at the time of the applicant's birth indicating the applicant's place of birth in the United States.

(1) There is hereby established the State Election Board, consisting of the Secretary of State, the Attorney General, and the Lieutenant Governor. The State Election Board shall meet on the call of the Secretary of State. The State Election Board shall do both of the following:

   (1) Assess information provided by any applicant for voter registration as evidence of citizenship pursuant to subsection (m).

   (2) Adopt rules to implement subsection (m).

   (m)(1) If an applicant is a United States citizen but does not have any of the documentation listed in this section as satisfactory evidence of United States citizenship, the applicant may submit any evidence that the applicant believes demonstrates the applicant's United States citizenship.

   (2) Any applicant seeking an assessment of evidence under this section may directly contact the office of the Secretary of State by submitting a voter registration...
application or the national voter registration form and any supporting evidence of United States citizenship. Upon receipt of this information, the Secretary of State shall notify the State Election Board that such application is pending.

(3) The State Election Board shall give the applicant an opportunity for a hearing, upon the applicant's request in writing, and an opportunity to present any additional evidence to the State Election Board. Notice of such hearing shall be given to the applicant at least five days prior to the hearing date. An applicant shall have the opportunity to be represented by counsel at such hearing.

(4) The State Election Board shall assess the evidence provided by the applicant to determine whether the applicant has provided satisfactory evidence of United States citizenship. A decision of the State Election Board shall be determined by a majority vote of the board.

(5) If an applicant submits an application and any supporting evidence prior to the close of registration for an election cycle, a determination by the State Election Board shall be issued at least five days before such election date.

(6) If the State Election Board finds that the evidence presented by the applicant constitutes satisfactory evidence of United States citizenship, the applicant shall meet the requirements under this section to provide satisfactory evidence of United States citizenship.
(7) If the State Election Board finds that the evidence presented by an applicant does not constitute satisfactory evidence of United States citizenship, the applicant shall have the right to appeal such determination by the State Election Board by instituting an action under 8 U.S.C. § 1503. Any negative assessment of an applicant's eligibility by the State Election Board shall be reversed if the applicant obtains a declaratory judgment pursuant to 8 U.S.C. § 1503, demonstrating that the applicant is a national of the United States.

(n)(1) The Department of Public Health shall not charge or accept any fee for a certified copy of a birth certificate if the certificate is requested by any person who is 17 years of age or older for purposes of meeting the voter registration requirements of this act. The person requesting a certified copy of a birth certificate shall swear under oath to both of the following:

a. That the person plans to register to vote in this state.

b. That the person does not possess any of the documents that constitute evidence of United States citizenship as defined in this act.

(2) The affidavit shall specifically list the documents that constitute evidence of United States citizenship as defined in this act.
Section 30. "Business transaction" does not include applying for a marriage license.

(b) An alien not lawfully present in the United States shall not enter into or attempt to enter into a business transaction with the state or a political subdivision of the state and no person shall enter into a business transaction or attempt to enter into a business transaction on behalf of an alien not lawfully present in the United States.

(c) Any person entering into a business transaction or attempting to enter into a business transaction with this state or a political subdivision of this state shall be required to demonstrate his or her United States citizenship, or if he or she is an alien, his or her lawful presence in the United States to the person conducting the business transaction on behalf of this state or a political subdivision of this state. United States citizenship shall be demonstrated by presentation of one of the documents listed in Section 29(k). political subdivision of this state shall not attempt to
independently make a final determination of whether an alien

to implement, authorize, or establish the Real ID Act of 2005

expenditure of local funds, the bill is excluded from further
requirements and application under Amendment 621, now
appearing as Section 111.05 of the Official Recompilation of
the Constitution of Alabama of 1901, as amended, because the
